NEWS

From Our Church

The Church Council has approved use of the CDC COVID-19 guidelines effective immediately.

Please let the Church office know, if you have had a baby, grandbaby, great-grand baby etc.

Please remember to check on all of our shut-ins. As this is a difficult time for everyone, however more difficult for the ones that are shut-in.

UPDATES to Joys & Concerns: If you have any updates, additions, or corrections please contact the church office and let Charleen know.

Did you know that **Compassion** has millions of alumni around the world (children who were sponsored by people just like you) whose lives have been forever changed? They are doctors, pastors, lawyers, government workers, and community leaders. Research indicates that sponsorship is a reliable and effective way to help children—as evidenced by these alumni. However, **Compassion** goes future by working exclusively through local churches to deliver its program. The **Compassion** staff is 100% committed to working with local churches— all have over 7,000 evangelical Christian church partners in 25 developing countries delivering services and ministry to more than 2 million children. Plus, **Compassion** submits an annual audit and sends field auditors to thousands of program sites each year to ensure your funds are used properly — and only to release children from poverty in Jesus' name.

For more information, check out www.compassion.com/financial

Or go to www.compassion.com anytime you want to make a single donation or provide a sustainable gift for a family in need (check out the online gift catalog), or to sponsor a child.

Every day is a good day for showing **Compassion!** And you will be blessed.
